Josh,

We do not agree the financial information Barco now request is relevant. If you wish to meet and confer, we can be available Tuesday between noon and 3 pm ET.

Please also be prepared to discuss the requests in Mr. Gothia's April 28 email.

Best,

Steve

Counsel,

Yealink's rog responses identify **nineteen additional** products that Yealink admits work with the accused dongles in this case that Yealink has not provided any financial information. Please produce the financial information immediately. As these products are highly relevant to our damages analysis and forthcoming report, Barco reserves all rights to supplement with this information that Yealink has withheld from discovery.

Best,  
Erik
